Ernest K. Bond Is Fatally Injured In Two Car Crash

Wyckoff-Sears Employee's Wife Also Injured

Ernest K. Bond, 51, Stroudsburg, was injured fatally in a two-car collision on W. Main St., Stroudsburg, at 9:50 p.m. Saturday.

Bond, of 2034 Miller St., was dead on arrival at East Stroudsburg General Hospital.

His wife, Helen, was hospitalized with face and body cuts and bruises. She was reported in good condition last night.

Troopers Ed Beneski and Emil J. Weber said the driver of the other car was Glenn M. Werkheiser, 18, of 205 N. Ninth St., Stroudsburg.

He was treated at the hospital for face cuts and bruises, then released Saturday night.

Beneski said no charges had been filed in the case last night and that he would confer today with District Attorney Elmer D. Christine.

Acting coroner Herbert G. Bonser, East Stroudsburg justice of the peace, said death resulted from a broken neck and "head and bodily injuries."

Beneski said Bond fell or was thrown from the car in the crash. His body lay 37 feet from where the car came to rest, said the trooper.

The accident occurred in front of Rinehart's Diner. Police said Bond's car had been parked in the lot in front of the diner.

Bond started to drive his auto out onto the highway police said; then it was struck in the front by Werkheiser's east-bound car.

Bond's car was knocked back onto the diner parking lot.

Werkheiser's car veered across the highway and slightly damaged the parked auto of Leon and George Farry, 601 Ann St., Stroudsburg, Beneski said.

Damages were estimated at \$500 to Werkheiser's car and \$700 to Bond's.

Bond was still alive when an ambulance arrived. He was dead by the time he reached the hospital. The body was released to Dunkelberger and Westbrook funeral home, Stroudsburg.

Bond was manager of Wyckoff-Sears parts department, and had been a Wyckoff-Sears employee for many years. Before that he was employed as a mechanic at the Kresge and Tucker Chevrolet Agency at Ninth and Main Sts.

Born in Pittston, he was the son of Harry and Lennie Bond, of Appenzell. He had been a Stroudsburg resident the past 29 years.

He was a member of Appenzell Lutheran Church; member and past master of Barger Lodge 325, F&AM; member and past high priest of Monroe Royal Arch Chapter 281, Stroudsburg; charter member of Stroud Township Fire Co. and an assistant chief.

Surviving in addition to his wife are: a daughter, Mrs. Benjamin B. Overholts, Stroudsburg; parents, of Appenzell; three brothers, Donald, of Allentown; Roy, of Pocomo Summit, and William, of Appenzell; a granddaughter; nieces and nephews, uncles and aunts.

Services will be at 2 p.m. Wednesday at Dunkelberger and Westbrook funeral home, Stroudsburg, with Rev. Edward T. Horn, D. D. and Rev. William F. Wunder officiating.

Burial will be at Stroudsburg Cemetery.

Friends may call at the funeral home from noon Tuesday until services start Wednesday.

Barger Lodge will conduct services at 8 p.m. Tuesday at the funeral home; members of the fire company will meet in a body at the funeral home at 7:35 p.m. Tuesday.

Money Order Raiser Shot

St. Petersburg, Fla. (AP)—A city detective shot and wounded an accused money order raiser who had pulled a gun on another detective yesterday.

In serious condition in a hospital here with a bullet wound in the left shoulder was a youth identified as Robert Hopkinson, 20, of Pittsburgh.

Adenauer Hopeful

Frankfurt, Germany (AP)—Chancellor Konrad Adenauer and opposition Socialist leader Erich Ollenhauer, expressed guarded hope yesterday that the proposed four-power conference in Berlin will achieve concrete results.

THROWN FROM THIS CAR and fatally injured in Saturday night accident on W. Main St., Stroudsburg, was Ernest K. Bond, 51, of 2034 Miller St., Stroudsburg, the driver. Wife, Helen was hospitalized. Bond was picked up 37 feet from his car after crash, was dead on arrival at hospital. (Daily Record Photo)

Rescue Team Nears Plane In Arctic

London (AP)—A ground rescue team toiling up a southern Iceland glacier was reported last night within one and one-half miles of a U.S. Navy plane which crashed on Thursday with nine men aboard.

U.S. Air Force headquarters here said the rescuers were battling a blizzard and winds up to 50 knots.

The rescuers, battling against time in a race to reach any survivors, made their report by radio to a U.S. Navy P-2V Neptune plane.

The twin-engine Neptune was a sister ship of the crashed plane which disappeared on a routine flight out of Keflavik airport in Iceland. Both planes came from the same outfit.

It was by a million to one chance the Air Force said, that the search plane spotted the wreck of its sister ship lying on the gale-swept glacier in southern Iceland.

The searching crew reported no sign of life around the wreck. But they were able to give bearings to the ground party as it battled through biting winds.

Mid-high Myrdalsjokull Glacier, scene of the crash, is 110 miles southeast of Reykjavik. The glacier is a huge mass 30 miles long and 10 to 20 miles wide.

The ground team was reported making steady progress toward the wreck despite a blizzard that often reduced visibility to zero, the search plane reported.

One of the men aboard the crashed plane was a Pennsylvanian. Amos W. Jones, Bridgeville, Pa., said last night he had been notified by the Defense Department his son, Amos Jr., was on the bomber.

Mullins Heads ILPE

Washington (AP)—Labor's League for Political Education, the AFL's political organization, yesterday named area directors for the east, midwest and west.

National Director James L. McDewitt appointed Hugh J. Mullin of Pittsburgh to head the eastern area.

Screwy Christmas Spirit Pops Up In Strange Ways

New York (AP)—The Christmas spirit appeared in strange ways last week.

George, a renowned cook and popular jailhouse chef, was greeted with rousing cheers when he strolled into the county jail in Oklahoma City and said: "I give up." Happy officials, who welcome him every holiday season, they can find him, promptly offered him 30 days on a charge of oggim-bing Christmas cheer. George accepted gravely and calculated: "That long enough to fix the boys a nice Christmas dinner. Might even whip up something kinda nice for New Year's too."

In Hollis, Okla., a 7-year-old boy, depressed by adult talk of depression and the high cost of living, mailed all his assets—seven dollars—to Santa Claus to make sure that the gentleman didn't run short before the season was over.

A man in Ontario, Calif., was struck thus by the Christmas spirit: He's going to pay the pound

School Building Is Hurt By Postponement Of State Funds

Harrisburg (AP)—Scores of school districts, counting on state aid for school construction, reeled yesterday under a blow that may postpone their building efforts until at least 1955.

Preston O. Van Ness, executive director of the Pennsylvania State school directors association, freely conceded that a new order halting further approvals of state-aided school building construction proposals was a "major setback."

(Editor's Note: The Pleasant Valley Joint School System Building plans are directly affected by the State's decision.)

The order was issued by Dr. Francis B. Haas, superintendent of public instruction, on the grounds that project applications now total "several millions" more than the 425 million dollar ceiling fixed by the 1953 legislature.

"This means we will have to go to the 1955 legislature to ask that the ceiling be increased to 600 million dollars—and probably more," Van Ness told a newsmen.

The school directors' official said most of the school districts which failed to get in under the 425 million dollar ceiling will now have to postpone their projects until at least 1955.

Under a 1951 law, school districts in the past two years have been able to count on up to an average of about 50 per cent in state aid for new schools or additions built by municipal authorities of the state public school building authority.

The state aid is designed to be paid over a period of from 30 to 40 years to help school districts pay rentals to authorities which sell bonds to provide the funds for the original construction.

Dr. Haas emphasized that his new order does not mean a school district cannot construct a new school.

"It does mean, however, that the school district can expect no state help in financing until the situation is cleared up," he explained.

Projects previously approved under the ceiling will not be affected by the new order.

The department could make no estimate on how many projects got in under the ceiling.

Doe Deer Kill Listed At 10,200

Harrisburg (AP)—The 1953 antlerless deer kill in Pennsylvania was estimated yesterday by the State Game Commission at about 10,200 animals, or less than half the total for which the commission hoped.

In announcing its estimate of the kill during the two-day season last Monday and Tuesday the commission declared, "Once again weather was a deciding factor in limiting hunter success."

It pointed out that miserable weather the first day reduced the number of hunters and the hours they spend in the fields. Snow and rain made hunting uncomfortable and poor visibility added to hunter troubles, the commission reported.

The commission said that in reducing the doe license allocation for this year about 55 per cent from last year, a reported kill of about 16,000 antlerless deer was anticipated, that would bring an actual harvest of about 22,000 because many hunters fail to report their kills.

At the same time the commission estimated the legal antlerless deer kill during the 12-day buck season at a little over 25,000. Last year's reported take was 27,164 or an actual kill of almost double that.

The commission made no prediction on this year's take before the season started but said it expected as good a record as last year.

The buck population was comparable to 1952 and the hunting pressure was about equal to other recent years.

French Will Take Ninth Ballot Today

Versailles, France (AP)—Premier Joseph Laniel in a record eighth ballot fell 22 votes short of being elected president of France last night and a ninth ballot at least will be necessary to decide the issue. It will take place today at 3 p.m. (9 a.m. EST.).

On the eighth ballot weary members of the Council of the Republic (senate) and the National Assembly (lower house) cast 430 votes for Laniel and 381 for the Socialist candidate, Marcel-Edmond Naegelen.

Laniel needed 452 votes for a majority of the ballot.

Former Premier Antoine Pinay, an independent leather manufacturer, got 25 of the votes cast.

Laniel gained 23 votes over his polling in the seventh ballot when he polled 407 votes. A few minutes before the eighth ballot Jean Medecin, Radical Socialist moderate, pulled out of the race.

On the seventh ballot, Laniel polled 407 votes which was 48 votes short of a majority. Naegelen got 303 votes and Medecin, 156.

Laniel's supporters expect his dogged persistence will be rewarded tomorrow by winning the ninth ballot in the historic halls of Versailles Palace.

The 61-year old wealthy industrialist, unknown internationally until he became premier last summer, is fighting the biggest battle of his political career. He has given lukewarm support to the European Defense Community (EDC) while Naegelen, his chief opponent in the four-day old deadlock is opposed to EDC. Never before in French history has there been such a grueling contest for the presidency which usually is settled in one or two ballots.

Urges Use Of Polar Ice For Attacks

Washington (AP)—An Air Force expert yesterday proposed forming small fighter plane units on polar ice islands which could lash out with atomic bombs against any aggressor nation.

Lt. Col. Joseph O. Fletcher, who organized the first detachment for the drifting ice island T3 in 1950, said such units might prove to be the only readily available reality bases if Russia should strike suddenly and wipe out present U.S. air bases in forward areas.

Fletcher, who is now in the Air Research and Development Command, outlined his proposal in a paper written for the official publication "Air University Quarterly."

"The basic unit might be built around the all-weather fighter as an atomic bomb delivery vehicle, supported by long-range air transport or by submarine," he wrote.

Check Poisoning

Lake Wales, Fla. (AP)—Police and postal authorities are attempting to learn who sent at least five boxes of poisoned candy to members of the First Baptist Church here.

Fourteen persons were made violently ill, but none was ever in serious danger.

Ike Urged To Avoid Strife In Presenting His Program For New Congress Meeting

Washington, (AP)—President Eisenhower has been urged by some of his advisers to avoid unnecessary clashes with Democrats in Congress by limiting his legislative program to a few major, vital issues.

The President, who begins putting together his State of the Union message later this week, already has in effect offered an olive branch to Southern Democrats with the announcement that he will not seek any civil rights legislation.

Applauding this decision, Sen. Carlson (R-Kan.) said in an interview he believes the President has "gone ahead as fast as possible on civil rights with executive edicts that evoke no challenges and no filibusters in Congress."

Carlson, who sat in on the final round of conferences of Republican legislative leaders at the White House Saturday, said he, for one, favors a limited legislative program in the coming session.

"I think the President ought to limit his requests to outstanding issues that can be handled in a fairly short, election-year session," the Kansas senator said.

"I don't believe the administration ought to ask for action on, say, 30 or 40 different matters and find at the end of the session that only about 10 of them have been approved, making it subject to criticism that Congress enacted

Eighth Escaped Convict Captured After Release Of Two Women Hostages

Detroit, (AP)—The eighth of 13 desperate convicts who tunneled and blow-torched their way out of high-walled Southern Michigan prison at Jackson Saturday night was nabbed in that city last night.

But the five still at large in the big penitentiary's biggest break—some of them the toughest in the lot—left a cold trail in sprawling residential northwest Detroit. Hundreds of police concentrated their intense search there after the five abandoned a stolen car and released unharmed two women held all night as hostages.

Jackson police seized Harold Rosa, 24, in the basement coal bin of a hotel. Patrolman Lindell Miller, a substitute Associated Press Wirephoto operator, made the capture.

Rosa was the last of eight felons hunted in the Jackson area, 80 miles west of Detroit. He was serving 4-to-15 years for breaking and entering in Saginaw, Mich.

This was one of the lightest terms being served by the 13, who somehow laid their hands on an acetylene torch and cut through a giant storm sewer grate. The five hunted in Detroit included two life-term murderers, a convicted kidnaper and an armed robber.

Up to 14 hours after the five set out in two groups on foot Detroit police reported they didn't have a single clue.

Four of the five were sentenced from the Detroit area, and police were busy checking their known haunts.

More than 200 police cars took part in the all-night game of hide-and-seek with the stolen Cadillac in which the five shielded themselves with the two women.

The women Mrs. Mary Lou Watts, 28, and Miss Helen Gilbert, 31, a nurse—said the prisoners did not molest them during the nightmarish 10-hour ride.

"They kept apologizing for keeping us in the car so long and when they left they said, 'So long, we'll be seeing you,'" Mrs. Watts told police.

Rescue Plane Radios Forced Pacific Drop

Tokyo, Monday (AP)—A Coast Guard air sea rescue plane radioed today it was making a forced landing in the Western Pacific about 200 miles east of Wake Island, Pan American Airways reported.

Pan American said the Coast Guard plane had been flying to intercept an Overseas National Airways plane that had radioed one engine had failed. The Overseas National Airways plane was presumed to have landed at Wake.

The company said a Pan American "Nightingale" plane from Wake with a load of passengers including Edward R. Murrow of the Columbia Broadcasting System was flying over the area on a search mission.

Elsewhere in the Pacific ship and planes searched for two missing Navy planes with a total of 19 persons aboard. The two planes were missing north of Guam.

The Pan-American plane, commanded by Capt. Fred Richards, was at Wake enroute to Tokyo when it received word of the Coast Guard plane's message.

The first word came at 7:20 this morning when the Overseas National Airways plane messaged it had feathered the propeller of its No. 2 engine and asked for a routine protective interception by the search and rescue plane.

Decision Stirs Hope For GI Talks

By Stan Carter

Panmunjom, Monday (AP)—Communist explainers, after stalling for 35 days, resumed explanations today to Chinese prisoners balking at returning to communism.

Indian custodial officers said the first of 250 prisoners called up for today's resumed sessions showed up shortly after the Red Chinese explainers arrived.

Indian officers said the talks opened quietly. Previously prisoners have kicked, screamed and even tried to attack the Red officers.

One prisoner among the first five to enter explanation booths asked to return to the Communists after listening to a Red officer for 25 minutes. The others asked to go to Formosa.

In one of the 32 tents where explanations were conducted a Chinese Communist officer told a prisoner: "You are just a simple soldier. They deceived you because you know nothing."

The prisoner answered, "I know nothing except that I want to annihilate Communism."

Another interview lasted an hour. The prisoner asked three times which door led to Communism and which led to the Allies. After wavering twice, he walked out the door which led him away from the Communists and back to the anti-Red prisoners. He walked out smiling.

The sudden Red decision to resume the explanations stirred speculation that perhaps a way might be found before the Wednesday midnight deadline for similar talks to 22 Americans held in a pro-Red compound.

United Nations Command officers were inclined to believe the Reds were angling for an extension of the explanation deadline but said the Allies would not agree to this. A Red request for a meeting today of the Military Armistice Commission to discuss prisoner of war matters added to this belief.

More than a week ago, the Americans refused to come out for explanations and said in a statement they did so in support of a long series of demands by pro-Red South Koreans in the same compound.

The 30 pages of South Korean demands finally have been translated after a week's work and the Neutral Nations Repatriation Commission plans to consider them today.

But Allied sources insist that Red officers in Kaesong actually call the signals in the pro-Red compound. These sources speculate the Reds, having arranged to resume explanations, also may have the Americans come out and then say in effect:

"Look, everything is going smoothly now. Let's extend the explanation period."

An American spokesman said there was no chance of the U. N. Command agreeing to an extension.

Australians Keep Warm Down Under

Sydney, Australia (AP)—The eastern half of Australia sweltered yesterday in temperatures up to 111 degrees.

This temperature was recorded at Walgett, New South Wales, 450 miles northwest of Sydney, and at Victoria on the Murray River.

Melbourne had its hottest day in 55 years—107.7 degrees. And Canberra had its hottest day in two years—98 degrees.

Siamese Twin Goes Home

Chicago (AP)—Rodney Brodie, the 27-month-old surviving Siamese twin who has spent all his life in hospitals, went home for a surprise Christmas Sunday.

His parents made their regular twice-monthly 450-mile auto trip to visit Rodney in a Chicago hospital Sunday and asked attending physicians if they could take him to their downstate home until after New Year's.

Rodney, physicians said, has made good progress since he was separated from his head-joined brother Roger Dec. 17, 1952. Roger died 34 days after the lengthy and delicate surgery.

THIS CAR WHICH POLICE said was driven by Glenn M. Werkheiser, 18, of 205 N. Ninth St., Stroudsburg, struck Bond auto when latter pulled onto highway from in front of Rinehart's Diner, W. Main St. Werkheiser was injured, but released after treatment. (Daily Record Photo)

Tax Sale Brings County Substantial Return

Estimated \$15,000 Is Realized

One of the most successful county treasurer's tax sales of properties in recent years brought the county between \$12,000 and \$15,000 Saturday.

The tax sales are held every two years. When property owners neglect or refuse to pay the taxes assessed on their properties, the properties are auctioned off for a value at least equal to the tax, penalty, accrued interest and accumulated costs.

Usually the county must "buy" several properties at this amount to keep from losing money. Saturday the county turned a generous profit. Treasurer P. A. Rockefeller will complete his tally of the sales today, according to Chief Assessor George L. Smith.

The sales were held by auctioneer Wayne E. Posten from the steps of the courthouse at 10 a.m. The bidding and processing of papers lasted until 12:15 p.m. Smith said about 50 people crowded around the steps and that bidding "was fast and furious for a while." Most of the bidders evidently had inspected or knew about the properties being sold, he added.

Posten sold a total of 26 properties. Eleven districts were represented in the sales: Coolbaugh, Hamilton, Paradise, Pocono, Ross, Smithfield, Stroud and Tunkhannock Townships, and Delaware Water Gap, Mount Pocono, and Stroudsburg boroughs.

Biggest sale brought some \$6,000 over the several hundred dollars in taxes, penalties and costs owing on the property.

This tract was assessed to the South Stranton Sportsman's Club, with M. J. O'Boyle listed as owner.

Threaten Voters With Prosecution

Vienna, Austria (AP)—About 4½ million Bulgarians, under threat of fines and prosecution if they failed to vote, picked a new Parliament yesterday from a list of candidates nominated by the Communist-controlled Fatherland Front.

No returns were announced during the day by Sofia radio, and no incidents were reported. However, it was a safe conclusion that Premier Vukko Chervenkov and other Communist leaders were among those named to the 465-member National Assembly.

Driver Burned, Truck Is Destroyed Near Milford

Milford—A driver was burned and his truck destroyed with a \$1,000 loss when fire broke out in the vehicle about 11 a.m. yesterday some four miles west of here on Route 6.

State police here listed the driver as Leonard Moffitt, of Honesdale. Moffitt telephoned the substation himself and reported that he was burned but intended to return to Honesdale to be treated.

The fire was extinguished by the Milford Fire Co. Damage was confined to the truck, and did not affect the loaded milk tank trailer. The truck was described as a total loss by police.

Cause of the fire was not determined, police said.

Child Hurt In Bike, Car Crash

A Stroudsburg youngster was hospitalized overnight when she collided with the side of a milk truck while riding her bicycle on N. Fifth St.

The girl, Eloise Cohen, daughter of Mr. and Mrs. J. L. Cohen, 200 N. Fifth St., suffered a cut on the chin, bruises on the nose, jaw and face, arms, legs, had two teeth broken off, according to Stroudsburg police.

The accident occurred at 4:55 p.m. as Miss Cohen rode her wheel south on N. Fifth St.

The driver, Edwin Steinnitz, Stroudsburg, operating the Monroe County Cooperative Association milk truck, was going north, police said. He told an officer he started to turn left onto Sarah St. when the collision occurred. He said he did not see the girl until she rode her bike into the side of the truck, police reported.

Miss Cohen was discharged from the hospital yesterday afternoon.

Sheriff Returns Jose Velez

Jose Velez, 18, an airman from Westover Air Force Base, Springfield, Mass., was brought back to Monroe County over the weekend by Sheriff Jacob Altemose to face charges of jailbreak and car theft.

Velez was still a juvenile when he picked the lock on the county jail's juvenile detention room and escaped with a companion in May 1952.

After the sheriff learned of his whereabouts, Velez was asked to waive extradition. He declined, and Sheriff Altemose processed extradition papers, then served them Friday at the air force base.

While returning to Monroe County as a prisoner, Velez told the sheriff that after escaping from jail and hitchhiking to New York, he left the U.S. and went to Puerto Rico.

After four months he returned, met a girl on the way home and married her a short time later. He then received a draft notice, and decided to enlist.

Malenkov Hands A 'Goat' To Russians By Raising Beria Case To His People

New York, (AP)—The political significance of the Soviet action in raising the Beria case is that Premier Georgi Malenkov is handing a scapegoat to Russians that they can blame for many grievances.

Malenkov's tactics are to charge Lavrenty Beria, the fallen police chief and his six accused accomplices, who have not been committed for trial, with being personally responsible for the most oppressive features of Stalin's regime and for the present ills of the U. S. S. R.

This is calculated to distract public attention from the key roles played by Malenkov and other current Soviet leaders in formation of policies, under Stalin as well as after. And it is also intended to provide a safety valve for emotional expression of the accumulated suppressed discontent of many years.

There are few Russians who will not enjoy heartily the opportunity given them to curse out in the richest Russian "mother oats" Beria, the ministry of internal affairs and all Georgians in general.

Beria and his six henchmen are made to order for the role of scapegoat. Representing as they do the top brass of the hated police system, in their persons the ministry of internal affairs the MVD goes on trial with them.

In the second place, four of the seven accused are compatriots of Stalin from Soviet Georgia and aliens as far as Russians are concerned. Thus by charging them with all the crimes in the book, the government manages to point the finger of accusation away from the Russians who now run the U. S. S. R. and by implication at Stalin who brought these other Georgians to

with being to blame for the oppression of the peasantry, and for arbitrary persecution of "honest" citizens.

They are accused of sabotaging improvement in the "well-being of the Russian people."

Soviet history shows that the "discovery" of internal "enemies" in Russia who can serve as an object of public wrath is often associated with an increase in popular discontent with the government.

There is no reliable evidence that discontent right now is at a peak in the U. S. S. R.

The measures of the Malenkov government, in fact, have been

Moscow and gave them such great power.

Just how much material on the Beria trial the Soviet propaganda apparatus will put out is not clear.

The mere fact that the accused will quite possibly not be present and that the trial will quite possibly be held in secret, would not exclude the publication of extensive indictments, testimony, and confessions to support the government's charges.

It is difficult to see why the Soviets issued a lengthy statement from the prosecutor's office last week on Beria and his coming trial unless it was intended to follow it up with more.

But even if nothing more is published on the Beria case—except presumably at least announcement of sentence and execution—he and his accomplices right now stand accused of responsibility for the worst sides of Soviet rule.

In particular they are charged

Only \$1,000 Christmas TB Seal Stamps Now Unpaid

Nearly \$1,000 remain to be collected before the 1954 Monroe County Christmas Seal sale can meet its goal.

Total funds sent in by county residents as of yesterday were \$7,557.12, according to Carl Secor, president of the Monroe County Tuberculosis and Health Society's board of directors.

This total, Mrs. Estelle Fleming, executive secretary said, represents only 4.663 of the more than 7,000 letters sent out to county residents containing the seals.

Many residents, Mrs. Fleming said, may have forgotten to mail their envelopes, containing the purchase money for the colorful seals, back to the Society's Sarah St. office.

All tuberculosis workers urged residents last night to make their contributions to the 1953-54 fight against TB as soon as possible.

Theater Party Arranged For Local Children

The annual Christmas party for all children in the Stroudsburg area will be held at the Sherman Theater on Wednesday, Dec. 23, at 2:30 p.m.

St. Cloud Theaters in cooperation with The Daily Record have arranged another free show for the children.

Feature film attraction will be a Johnny Mack Brown Western. Also on the same program will be a Three Stooges comedy, a Little Rascals comedy and a cartoon.

In addition to the above film program all children present will receive a package of Christmas candies.

The regular matinee normally scheduled for the Sherman Theater has been cancelled to make room for this free kiddies' party.

Israel Envoy Seriously Ill

Tel Aviv, Israel, (AP)—The U. S. Embassy announced yesterday that Ambassador Monnett B. Davis is seriously ill. He returned to Israel three weeks ago after a prolonged absence in the United States because of heart trouble.

Entertainment has been arranged by the school. Candy will be distributed to all children attending the party, including pre-school children.

Toys will be given to children in the first four grades of the school.

Truth Class Has A Supper

Portland—Truth Class of the Methodist Sunday School held a Christmas party and covered dish supper on Thursday night in the social room of the church. The program featured a solo by Miss Kay Ribble, and a reading, "Tale of Scrooge Brought Up to Date," by Miss Edith Emery; and a reading, "Legend of the Rose" by Miss Betty Hamilton.

Pals were revealed and new ones were chosen, and gifts were exchanged among the 25 members and guests present.

Terry Florey Is 5 Years Old

Terry Florey, son of Mr. and Mrs. Calvin E. Florey, of Chipmunk Drive, celebrated his fifth birthday yesterday with a party at his home which was decorated for Christmas. Favors, games and refreshments also followed the Christmas theme.

Guests present included Susan Haney, Colleen McConnell, Sharon Fabel, Ginger Florey, Paul Florey, John McConnell, Harry Haney, Billy Bartron, Barry Miller, Stanley Bush, Kenneth Bush and Terry.

Just Between Us

—By Bobby Westbrook

It was a weekend that might well have been set to music—the Skaters' Waltz, the Wedding March, and, sounding over all, the Christmas carol.

Hedi Ainspae, home for Lorna Lou Warncke's wedding, looked pretty much like a carol herself with the holly in her wreath and in her bouquet. And speaking of bouquets—Lorna Lou had to throw hers three times before someone caught it.

Never saw a reception where the guests were in such a hustle to get in and so loathe to leave. Not only were they having an awfully good time, but those breezes were cold for wedding finery.

The cold, of course, made it perfect for the ice skaters who filled every pond and eddy the whole weekend. Of course it got a bit drippy by Sunday afternoon where the sun hit it, and some mothers had quite a chore getting the Christmas angels dry enough for their angel robes last night. But they made it.

You know, you can keep track of how time flies by the Christmas angels. When the littlest angel of yesterday suddenly appears at the annual pageant as a college student home on vacation, you know that you've lost a dozen years, somewhere or other.

Mighty pleasant years, by the way. Remember when you could get stocking gifts at the ten cent store instead of at the perfume counter?

Mr. and Mrs. Lee Barnes Koehler

Miss Lorna Lou Warncke Is Bride Of Lee B. Koehler

The Christ Episcopal Church, Stroudsburg, was the scene of the wedding of Miss Lorna Lou Warncke, daughter of Mr. and Mrs. Louis Warncke, of 716 Scott Street, Stroudsburg, to Lee Barnes Koehler, son of Dr. and Mrs. LeRoy Koehler, of Bryant St., Stroudsburg.

Rev. Thomas Shoemith performed the ceremony before the candlelit altar, which was decorated with bouquets of white pompons. Michael Stadfeld was acolyte and Mrs. Bess Bachman, organist, presented a recital of wedding music before the ceremony, and also played the traditional wedding music.

The bride, given in marriage by her father, wore a gown of white faille with silver brocade in a waist length, with long sleeves pointed at the wrists and a very full skirt. A matching Juliet cap held her waist-length veil, and she carried a bouquet of white roses.

She was attended by her sister-in-law, Mrs. Wayne Warncke, of Ann Arbor, Michigan, who wore a faille dress of jade green with cap sleeves and a full skirt. She carried a bouquet of white roses, pompons and holly with a matching wreath of holly and white pompons in her hair.

George Garrison Shafer III was best man, and Wayne Warncke, brother of the bride, and Jack Phillips, of Connelville, served as ushers.

The bride's mother wore a satin suit of ensign blue with ashes of roses satin hat and matching accessories. Her corsage was of pink roses. The bridegroom's mother wore a grey dress with a hat of ice blue velvet and ice blue accessories. Her corsage was of red roses.

Following the ceremony, there was a reception for relatives and friends of the bride and bridegroom held at the Warncke home on Scott St., in Stroudsburg, with many of their college friends among the guests. A three tier wedding cake was served after the wedding supper.

Mr. and Mrs. Koehler are now on a wedding trip to Florida. For traveling, the bride wore a suit of airforce blue with red accessories. After the holidays, they will make their home at 3899 North Front St., Harrisburg.

They are both graduates of Stroudsburg High School in the class of 1947. Mr. Koehler was graduated from Elmira College in 1951 and has been employed as bio-chemist with the Rockefeller Institute in New York City. During their stay in Harrisburg she will be employed by Polytechnic Hospital there.

Pollyannas Tonight

Saylorsburg—The Pollyannas of Mt. Eaton Church, will hold their Christmas Party, Monday night December 21, at the home of Mrs. Ambrose Altemus, with Mrs. Grant Knowles, assisting. Miss Shimko Engaged To H. Swenson

Pocono Manor—Mr. and Mrs. John Jerome Shimko, of 503 Winthrop Road, West Englewood, N. J., and Pocono Manor, have announced the engagement of their daughter, Miss Betty Jane Shimko, to Harold Swenson Jr., son of Mr. and Mrs. Swenson, of 7200 Ridge Boulevard, Bay Ridge, Brooklyn, and of Frankfort, Germany.

The engagement was announced at a tea dance for the couple given at the Pierre Hotel on Saturday afternoon, Dec. 19. Mr. Swenson's mother flew from Germany to New York to attend the party. His parents are living in Frankfurt, Germany, temporarily where Mr. Swenson Sr. is vice president of the National City Bank.

The wedding will take place next June, shortly after Miss Shimko's graduation from the Dwight School in Englewood. She was introduced a year ago at a dinner dance given by her parents at the White Beeches Country Club in Haworth, N. J.

Mr. Swenson, who is an assistant manager of Pocono Manor Inn, was graduated from Syracuse University in 1950. During World War Two he served in the U. S. Navy for three years.

Drug Co. Party At Skyline Inn

The annual Christmas party of the National Drug Company's Swiftwater operation was held Friday night at The Skyline Inn, with about 65 in attendance, including some of the personnel from the main office in Philadelphia.

Families of employees joined the group after dinner for an evening of square dancing with Sam Jones of Cresco doing the calling.

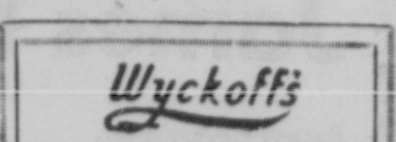

The joy of Christmas was tragically and very suddenly dimmed for all members of our Wyckoff store family when death came Saturday night to Ernest Bond, and a vast load of grief, plus physical injury, descended upon his wife, Helen. If the usual telephone traffic was heavier yesterday than is customary on a dreary, mid-winter Sunday, it was undoubtedly due to the hundreds of calls that drew all of us together in disbelief and horror as we questioned the veracity of the circulated reports.

Saturday had been a splendid day in our store—a day that had played itself through on a light, almost gay note as an accompaniment to the noise and confusion of the surging pre-holiday crowds. As in all times of pressure, everyone seemed anxious to assist everyone else, and while we all admitted to aching heads and swollen feet, we were immeasurably gratified to be coping so efficiently with a rather overpowering task. The day had begun happily for us when Mr. Ernest Wyckoff had spoken over the amplifying system, presenting us with the most cherished gift we are likely to receive this yuletide—an additional holiday day after Christmas. Yes, it had been a perfect day.

Among those working with us, serving the Christmas shoppers had been Helen and Ernest—just one of several husband and wife teams who have given years of service to the Wyckoff organization. Helen in our housewares department and "Bonnie" in our service department. At last the chimes sounded and it was closing time. Walking through the store, you could hear the happy shouts of salespeople who had gone over the top in their department figures for the day. "See you Monday" we called to each other, and there was the usual scurry of men and women anxious to get back to their families; young people eager to set forth on their dates; husbands and wives grateful to head home-ward. Surely no one could guess that this was to be any different than the usual break between goodbye and hello again.

Today we of Wyckoff's are looking toward Christmas with a seriousness quite alien to our holiday spirit of Saturday morning. It is not easy to say goodbye to one who has been a loyal, dependable friend and associate for many years.

Words are futile at such a time. But there is comfort always in the will to help that unites all families in the face of sorrow. Every heart at Wyckoff's is full today with that willingness. In this Helen is richly blessed.

SHS Christmas Program Will Be Held Tonight In School Auditorium

Stroudsburg High School's annual Christmas program will be held at 9:15 p.m. tonight in the school auditorium.

The program is being given at that hour to permit the greatest possible number of local residents an opportunity to see and hear it, school officials said.

During Christmas week, with local stores staying open until 9 p.m., in most instances, the 9:15 program gives both shoppers and clerks a chance to visit the school.

This year's program will be presented in three parts, according to Numa Snyder, vocal music instructor at the school.

First of the phases will show "carolling" as a primary activity of the season, with a group of carollers on the apron of the stage. Second on the program is a view of the average American household, showing the family trimming the tree and preparing for Christmas.

In its third and final scene, the program takes its audience inside a church, complete with altar, choir, congregation (the audience) and a minister.

A recessional and processional by the chorus will form an important part of the program.

The theme of the current program is predominantly sacred, school officials said. Snyder, and other teachers who have worked on the production, are emphasizing the reverence of the season.

If the number of letters is 6 or more, subtract 4. If the number is less than 6, add 2. The result is your key number. Start at the upper left-hand corner of the rectangle and check every one of your key numbers, left to right. Then read the message the letters under the checked figures give you.

Life of Riley

By JIM RILEY
Sports Editor

Committing fouls apparently was contagious last Friday night, as basketball officials throughout the area had plenty of business, walking to and from the foul lines, not to mention waving players in and out of the ball game. Stroudsburg High for instance lost its first five players via the five-foul rule, while suffering a 54-48 reversal at the hands of Scranton Central, on the Stroudsburg High redwood. The Mountaineers lost all of their big guns, namely, Captain Karl Weingartner, Don Garaventi, Dick Little, Dave Nevil and Don Diebler.

At Tannersville, on the same night, Blairstown High had four regulars excused early for various reasons, while Pocono lost two starters via the five-foul rule. A total of 84 foul shots were taken during the Pocono-Blairstown contest. Jim Diehle and Weingartner, both three-sport men at Stroudsburg High, visited the campus of Williams College, in Williamstown, Mass., on Saturday. Weingartner also visited the campus of Franklin and Marshall College recently. Both Karl and Jim are undecided as to their college future.

Russ Staples, former three-letter athlete at East Stroudsburg High, and "Buck" LeBar, one of the finest athletic managers the N. Courtland St. school has ever known, were both discharged from the Navy last week. Both had spent a great deal of their service time in Germany. The Varsity "E" Club doesn't have any expenses, even though it supports the Grand Theater basketball games in the East Stroudsburg High gymnasium. The team stands all the expenses, but all money taken at the door goes to the athletic club. The take was something like \$10 at last Friday's tussle with Portland.

Portland had only five players in uniform for last Friday's Blue Mountain League basketball game with the Grand Theater. The Stroudsburg Poconos, also of the Blue Mountain League, have given Bill Metzgar his release and have added Al Adelmann to the roster. Al is eligible to play as of Tuesday of this week. The East Stroudsburg-Wilson Borough basketball game on Friday resulted in a 62-59 victory for Wilson, not a 62-59 count as published in some places. The visiting team's scorebook is official in the Lehigh-Northampton League, thus making East Stroudsburg's book official last Friday.

Many people of this locality have been interested in obtaining the winter address of Tony Midiri, who turned in a very successful season as pro at Glen Brook last summer, his first year on the job. Tony's address is: West Field Acres, Building 3169, Apartment 34, Camden, N. J. A move is currently underway to play three rounds of basketball games in the Monroe County League next winter, instead of the two that have always been in vogue. If the circuit does play three rounds, the only outside games will probably be with Greene-Dreher-Sterling and the Alumni, with one or two other exceptions.

What visiting team punched two holes in the wall of a Monroe County League school's shower room on Friday night? Bangor played Parkland last Friday without two of its players. The Stators were missing Frank Gleim and Dale LaBar. Gleim was sick, while LaBar is suffering from an injured foot. Dale fell in the shower room after last Thursday's practice and it was at this time that the injury occurred. Don't forget the tripleheader basketball game at Stroudsburg High tonight—all proceeds go to the Varsity "S" Club.

Some of the Old Timers, scheduled to play in the second of three games on the W. Main St. court tomorrow, are reportedly winding up training for the big event. A couple of winning performances, or even good battles, will bring the basketball crowds back to Stroudsburg High, although Friday's number of spectators must have been discouraging to the athletic officials at the local school, especially since it was the first home outing of the campaign for the Mountaineers.

Many Conference Cage Champs Threaten To Repeat Again

Harrisburg, Pa.—Last year's scholastic basketball conference champions are breezing through 1953-54 exhibition schedules in a manner that makes it look like they will have little trouble retaining top rating. The defending titlists of one half of 20 major leagues are unbeaten in three weeks of warmup play while another seven have compiled winning records. Only three of last year's leaders have lost more times than they have won.

Chestnuthill, Barrett Meet Alumni Foes

Barrett and Chestnuthill High schools are scheduled for the basketball wars tonight, both on their home courts and both against Alumni opposition.

In each case the preliminary encounter will get underway at 7:15 p.m., while the main event will begin approximately at 8:30 p.m.

Barrett will put a record of one victory and a pair of setbacks on the line against the former graduates and the scholastic quintet would like very much to even its current record before the Christmas holidays.

Marks
Chestnuthill has lost all three of its games played thus far this season and is anxious to receive another chance for victory number one.

Barrett and Chestnuthill open their portion of the Monroe County League flag chase on Friday, January 8, at Brodheadsville.

Toboyhanna Township, Coolbaugh and Polk, three of the other four Monroe County League teams, are slated for action this week. Pocono has wound up its pre-Christmas schedule.

Japanese Billiard Champion Dies

Tokyo, Monday (AP) — The internationally known Japanese professional known champion, Kinrei Matsuyama, 56, died last night of a heart ailment.

Matsuyama was runnerup last year in the world's three-cushion billiard tournament in San Francisco. He won the U. S. national three-cushion title in 1934.

Eastburg Gridders To Be Guests At Banquet

Affair Made Possible By Loyal Fans

East Stroudsburg High school's football team will be the guest of honor at a banquet at Bartonville Hotel today, at 6:30 p.m.

The affair, the second one for the Cavaliers this season, has been made possible by the residents of East Stroudsburg. Merchants and citizens of the borough contributed to a central fund, under the leadership of William Lee Sr. and William Lee Jr.

Approximately 30 players from the East Stroudsburg grid machine will be present at tonight's baked ham dinner.

Speakers

There is a possibility that Eddie Sawyer, former manager of the Philadelphia Phillies, will be on hand to appear as guest speaker. If Sawyer is unable to attend, the chief speaker will be Art Schiebel, former All-American football star from Colgate University and now president of Tru-Matic Tool Co.

Jack Kist, coach of the grid Cavaliers, announced last night that any member of the team without a ride to the banquet should contact him in school today.

East Stroudsburg finished the recent football campaign with seven victories and three defeats and topped off the season with a 16-7 victory over Stroudsburg on Thanksgiving Day.

Rickey Enjoys 72nd Birthday

Pittsburgh (AP) — Branch Rickey, general manager of the Pittsburgh Pirates, observed his 72nd birthday yesterday with a quiet family dinner.

Rickey, starting his fourth season at the helm of the club, has two more years to go on his contract. He says he is in good health and that a lame knee which bothered him recently is on the mend.

Sale

Before the birthday observance Rickey announced the sale of Catcher Mike Sandlock, 37, to the Philadelphia Phillies for an undisclosed sum. The Phils apparently bought Sandlock to handle the knuckleball slants of Pitcher Johnny Lindell, obtained last summer from the Pirates.

Sandlock and Lindell played together with the Hollywood Stars of the Pacific Coast league before joining the Pirates.

Newspaper Honors Four Football Stars

Pittsburgh (AP) — Quarterback Al Jacks of Peabody High school and Halfback Chester Gilchrist of Har-Brock are the Pennsylvania Sun-Telegraph's selections as football players of the year in the Pittsburgh City League and the WPAL, respectively.

Lineman

The newspaper, which based its selections on a poll of district coaches, also named two linemen of the year. They are Carrick's Bob Debski in the City League and Uniontown's Charles Zawacki in the WPAL.

Senior YMCA Loop Scheduled

Senior YMCA League bowling takes place at the Pocono Bowling Center today, at 9 p.m. Schedule follows:

Christmas Week Fight Card Lists Only Few National Bouts

New York, (AP) — Boxing takes its usual holiday for Christmas week and only a few fights are on the national program.

The International Boxing Club won't put on its Wednesday and Friday television fights during the week of peace.

There will be the regular Monday and Saturday night telecast fights, however.

Tonight, Clarence Henry of Philadelphia and Bob Baker of Pittsburgh, once a pair of high-ranking heavyweights, will collide in a 10-rounder at Brooklyn's Eastern Parkway Arena. They'll be trying to get back into the first 10 at each other's expense.

Long Layoff

Henry, who recently returned to action after a long layoff caused by an eye injury, knocked out the huge Baker in the eighth round at Madison Square Garden, November 23, 1951.

The 10 p.m. (EST) scrap will be telecast to some parts of the country by Dumont.

In the Saturday night coast to coast television (ABC) headliner, veteran Italian welterweight Livio Minelli will oppose Wilbur Wilson of Boston in 10 rounds at Boston's Mechanics Building. Minelli is subbing for Danny "Bang Bang" Womber, starting time is 9 p.m. (EST).

At Los Angeles tomorrow Billy Peacock, the North American bantamweight king, meets Jess Mongia in a non-title 10-rounder. The same night in Miami Beach, Soldier "Chico" Velazquez takes on Pierre Hernandez of France in a 10.

Record

The Mountaineers sport an 8-1 record for the regular season. The lone loss was to South Carolina State which pulled a 20-14 upset.

Waiting for the plane to take off, Coach Art Lewis predicted that "West Virginia will give a good account of itself in New Orleans' Sugar Bowl."

Lewis said the squad is confident it can give the favored Georgia Tech a good game if "each player goes all out."

Georgia Tech has a regular season record of eight victories, two defeats and a tie.

Legion League Slated To Roll

American Legion League keggers swing into action on the George N. Kemp Post alleys today. Schedule follows:

7 P. M.
Alleys one and two—Navy vs. KPs.
Alleys three and four—28th Division vs. Marines.

9 P. M.
Alleys one and two—Sad Sacks vs. Air Corps.
Alleys three and four—Commandos vs. Jokers.

Appendicitis Can't Stop Rio Grande Ace

Miami, Fla. (AP) — "Bevo" Francis, the most prolific point-getter in college basketball, suffered a light attack of appendicitis during Rio Grande's game with the University of Miami Saturday night.

Despite the attack, which forced him to the bench for the last few minutes of the first quarter, Francis finished the game and scored 48 points in his team's 98-88 victory.

Rio Grande coach Newt Oliver, whose efforts have made "Bevo" the most publicized basketball player in the nation, said his star center threw off the attack quickly and insisted on returning to the game.

Off Form

"Bevo" was noticeably off form during the first half, scoring only 16 points.

"These spells have been chronic with Bevo since he was about 13 years old," Oliver said. "I'm going to do my darndest to see that he has the operation this summer—if he doesn't have any more bad spells before then."

Oliver said his sophomore star usually suffered a mild attack of appendicitis about every two and a half years.

Mangrum Wins Montebello Open

Los Angeles (AP) — Lloyd Mangrum, defending champion, captured his fourth Montebello Open Golf title yesterday shooting a six-under-par 66 in the closing round for a 202 total in the 54-hole tournament.

Mangrum, Ryder Cup captain and low scorer on the PGA trail this year, eagled the 476-foot 18th hole for the third successive day, holing a 50-foot putt for three on the five-par hole.

Seven Match Winners Listed

"Red" Helm won the first shoot, while Herb Cann won the second match, a 22-calibre affair. Wayne Parsons won the third match, while John Linaberry was first in the fourth shoot and Earl Bush Jr. paced the field in the fifth shoot.

Indiana, Kentucky Quintets Keep Rolling Along On Top Of Collegiate Basketball World

New York (AP) — The nation's top-ranking college basketball teams, plus many of the lesser lights, head into the busy holiday campaign with seven of the first 10 still unbeaten and only one defeat charged against the other three.

Many of the teams will swing into holiday tournaments starting today with the likelihood that the intercollegiate competition will throw a clearer light on the national rankings.

But as things now stand, Indiana's NCAA champions head the list, undefeated in five games. And Kentucky's Wildcats, coming back after a year of enforced idleness, are second with four victories in as many games.

Seventh Straight
 While the Hoosiers and Ken-

tucky were idle Saturday night, third-ranked Duquesne racked up its seventh straight triumph with a last minute 60-57 victory over Toledo, Illinois, unbeaten in five games and ranked fourth, easily turned back DePaul 79-65.

All except Duquesne of the top four face tough competition today. The Hoosiers take on Oregon State, 83-55 conqueror of Nebraska Saturday night.

Kentucky swings into its own two-day tourney with undefeated UCLA and once-beaten LaSalle and Duke offering the opposition. The Wildcats' first round opponent will be Duke (5-1). The other tournaments start the day after Christmas and December 28.

Illinois bumps into seventh-ranked Oklahoma Aggies (8-1) today. Duquesne will be idle until

it meets New York University in the opening round of the holiday tournament at New York's Madison Square Garden Saturday.

The only casualty in the collegiate court elite over the weekend was fifth-ranked Louisiana State, which plays in the Sugar Bowl tournament along with Holy Cross, DePaul and Fordham starting December 28. The Southeastern Conference powerhouse dropped an 82-66 decision to Wisconsin Saturday.

Unbeaten
 Along with Illinois, three other Big Ten teams remained unbeaten as Butler's Bulldogs again proved the undoing of another conference five. Sixth-ranked Minnesota (4-0) beat Colorado 74-46 and Michigan State knocked over Southern California 81-63.

Browns Reportedly At Peak Of Passing Game

Cleveland, (AP)—Cleveland's Browns who haven't won the pro crown in two years, expect to have their favorite weapon—passing—in better working order when they meet the Detroit Lions this time in the National Football League's championship playoff. Otto Graham is flipping better than ever and this year he will have a full squad of greedy receivers when the Browns meet the Lions December 27 in the Motor City.

Halfback "Duke" Jones and End Mac Speedie, Cleveland's two top catches then, went lame in the last regular game of the 1952 season and missed the playoff against Detroit.

Running
 Since together they had nabbed 105 passes for 1,562 yards, the Browns had to concentrate on running in that game, which the Lions won, 17-7. The only top, experienced receiver left was end Dante Lavelli.

Lavelli is back this year, just as tricky as ever, and with lots of help. He, Halfback Ray Renfro, End Pete Brewster and Jones have accounted for three-quarters of Cleveland's 191 completions this year.

Renfro and Brewster, both in their second pro year, got their first real experience in that last time game and since then have turned into stickouts.

Another new scoring threat facing the Lions is Billy Reynolds, a rookie half from Pitt, who averaged 4.3 yards a carry.

America Shakes Australia's Confidence In Davis Cup Show

Melbourne, U.P.—America's tennis internationalists flew back to Melbourne yesterday for the Davis Cup showdown and found Australian confidence badly shaken by the rebound block-busting power of Tony Trabert.

Observers, who a few days ago were freely predicting an Australian triumph in the challenge round December 28-30, now are warning the tennis-minded public not to be so sure.

It is the impressive cannon ball stroking of Trabert, the young U. S. Champion from Cincinnati, which has suddenly turned certainty of keeping the cup down here into grave doubt.

Billy Talbert, U. S. Captain, is happiest and most confident he has been since the Australian campaign began more than a month ago. Harry Hopman, the wiry little Australian leader, has become jittery and uncommunicative.

After Trabert's thunderous triumph over Belgium's Jackie Brichant Saturday to clinch the inter-zone finals, Hopman was squirmish as a worm on a cook-stove. Efforts to extract from him comment on the new Davis Cup picture brought only the terse statement:

"I have nothing to say. Saving my opinions for my own newspaper column."

Hopman is in the unique position of being both cup captain and a newspaper writer and he is not averse to saving official news items for himself.

Hopman has been sharply critical of the Americans. He struck out at Talbert for using himself in the doubles, terming it a tactical blunder, and he has emphasized the American players' troubles with footfault, judges and the partisan crowd.

This is what has become known here as Hopman's "nerve war." But after next Monday Harry will be stripped of his newspaper duties until after the challenge round.

The more impartial observers have taken a new and rather cautious view of the approaching matches as a result of Trabert's vastly improved play and the fact Wimbledon Champion Vic Seixas might hit his peak overnight.

F. J. Land, secretary of the Milton Club in Brisbane, where the interzone matches were played, said he believed America would win the cup, maybe four to one.
